## T H E   H E I G H T S

Park Residences presents a collection of 12 three and four-bedroom family homes located opposite a large 1.84ha future parkland within The Heights master planned community.

### LOCATION

The Heights is superbly located in Pimpama, the centre of the growth corridor between Brisbane and the Gold Coast. Direct access to the Pacific Motorway places Surfers Paradise within easy reach, and the culture and commerce of Brisbane, Queensland's capital, only 40 minutes by car. From this central position, Westfield Coomera Town Centre and Coomera Train Station are an easy 8 minute drive, linking to Brisbane and Brisbane Airport, and 35 minutes from the Gold Coast International Airport.

The local area is serviced by a wide variety of retail, education, recreation and sporting facilities including the nearby retail and dining precincts of Hope Island and Sanctuary Cove.

### ARCHITECTURE AS ART

Park Residences presents a selection of 12 fully landscaped, single-level homes featuring a mix of three and four-bedroom designs with contemporary open plan living, dining and indoor/outdoor entertaining spaces, large family bathroom, and master ensuite.

Manicured gardens frame the views from the kitchen, complete with reconstituted stone bench tops, high gloss cabinetry with ample storage, and quality appliances.

Each home is carefully designed to complement its surroundings, maximising the natural light and breezes with large windows and glass sliding doors which seamlessly integrate the indoor and outdoor living areas.

## LOCAL GROWTH & INFRASTRUCTURE

### Sport & Leisure

Gold Coast Council has unveiled plans to deliver a \$56.5 million sports precinct in Pimpama. The new precinct will feature expansive parklands, two new swimming pools, water play area, gym, flexible event space, nine tennis courts, 12 netball courts and parklands. The new facility is expected to open in late 2020.

### Education

Twelve local primary and secondary schools are located within the immediate area, including the \$18 million first stage of St Joseph's College Coomera, which opened in 2019. The largest school of its kind in the region, the 10-hectare site is being master-planned to cater for an eventual enrolment of more than 1,800 students.

The \$26 million TAFE Creative Campus is located 10 minutes away in Coomera, complete with computer labs, sound recording and music rehearsal studios, digital video and editing suites and 3D motion capture and production control facilities.

### Jobs & Retail

The first stage of the new billion-dollar Westfield Coomera Town Centre opened in October 2018. The new retail precinct features fresh food markets, fashion retail, dining and entertainment, Event Cinemas and major anchor tenants including Coles, Woolworths, Kmart and Target.

The Boat Works marina in Coomera has announced a \$100 million development that will almost double the size of the existing 23ha shipyard and marina to 43ha. The project will create 2,000 jobs and will deliver a new dining and shopping precinct on the edge of the Coomera River to rival Marina Mirage at Main Beach. The first stage of development is complete with further works continuing.

Established business and industry centres include the Gold Coast Marine Precinct and the Yatala Enterprise Area.
