ARCHITECTURE

The Hills Residences presents a beautiful parkland environment, tucked away from the wider world. More than a third of this vibrant new community is dedicated to open space, with a large central parkland and 3,500sqm of preserved bushland located a short stroll from every home. Gently undulating streetscapes, striking framed façades, and expansive landscaping create a harmonious balance between the homes and their natural surrounds.

Each home presents a contemporary design featuring living, dining and entertaining spaces, three bedrooms, bathroom, master ensuite and powder room. Manicured garden settings frame the views from the kitchen, which feature quality reconstituted stone bench tops, high-gloss cabinetry with ample storage and stainless-steel appliances.
