ARCHITECTURE

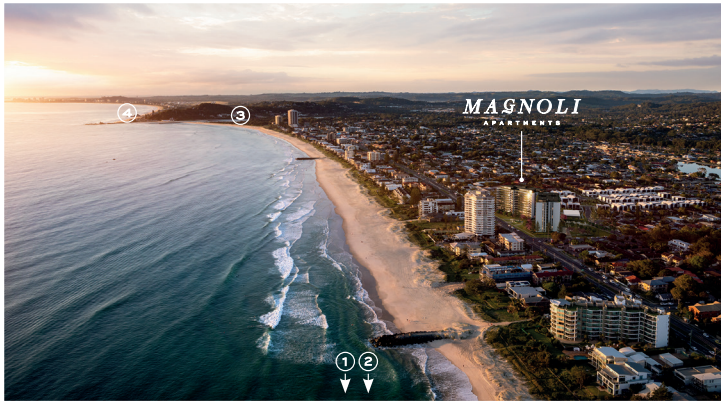

The striking landscaped façades of the twin mid-rise apartment buildings at Magnoli Apartments creates the effect of a cascading urban garden. This intimate connection to the natural environment is further entwined through generous landscaped setbacks and the creation of a large community parkland. Private resident amenities include a resort-style pool, lounge, and landscaped gardens and entertaining areas. The six architectural homes, located within the precinct, also enjoy access to all exclusive resident amenities, including secure basement parking.
